Our **International Affiliate Partner (IAP)** and **International Referral Partner (IRP)** programs offer incredible opportunities to build a long-term and lucrative relationship with AMHB.

International Affiliate Partner (IAP)

1. The International Affiliate Partner (IAP) program is available to International Hotel Brokers who have the EXCLUSIVE right to SELL hotels for their Client.
2. For a low set up fee, properties from the IAP are marketed on the AMHB Website, our partners websites and through direct marketing campaigns to over 10,000 hotel buyers until the properties are **SOLD**.
3. Prospective buyers are referred to the IAP who will serve as the Buyer Broker for the transaction. If the referred buyer purchases a hotel, the IAP pays the referral fee to AMHB.

International Referral Partner (IRP)

International Referral Partners (IRP), with no set up fee, refer International hotel buyers to AMHB.

AMHB will then serve as the Buyer's Broker and if the referred buyer purchases any AMHB property, a referral fee is paid to the IRP.
