

Save Money With Our Worry-Free Management of your Telephone, Wi-Fi and Internet Systems.

Are you tired and frustrated trying to self-manage your phone, Wi-Fi, and internet systems? If yes, then worry no more. **AMERICAN MOTEL HOTEL BROKERS** is pleased to announce our strategic partnership with **The Maynard Group** to relieve the headaches so that you don't have to worry about your telecommunications or internet systems anymore.

The Maynard Group services and supports existing systems and can also design complete, modern solutions to meet your needs – now and into the future. They will also make sure that your systems are compliant with federal laws including the E-911 requirements outlined in Kari's law as well as the Baum Act.

HOW IT ALL WORKS

Get your FREE Assessment Today! The Maynard Group is here to help you modernize your telecommunications and internet systems, reduce your costs, and end the complexity and stress of trying to manage multiple vendors on your own. To get started, simply send us an email with your name and phone number to technology@amhbnetwork.com. One of the experts at **The Maynard Group** will then get in touch with you to get the process started.

Other Benefits You'll Enjoy by Working With:

Improve Customer Service

Ensure every call is handled smoothly so that connections and opportunities are not missed with the powerful, easy-to-use features of a Cloud phone system.

Grow

Grow your business—anywhere—without limitations and hassles. We'll work with you to design and implement a system that best fits your needs.

Save Money

Reduce costs by using cloud technology and eliminating the need for expensive onsite hardware.

Responsive Support

We provide attentive support and don't point fingers. We take ownership of any trouble, saving you time to ensure that resolution is reached quickly.
